SUMMARY

Research-oriented Information Technology undergraduate with hands-on experience in machine learning, data-driven application development, and intelligent system design. Proven ability to translate complex real-world problems into effective AI-based solutions, with strong technical communication skills refined through academic research and collaborative work. Committed to continuous learning, innovation, and contributing meaningfully to the advancement of intelligent technologies.

SKILLS

Programming: Python(NumPy, Pandas, Matplotlib, PyTorch), JavaScript

AI/ML: scikit-learn, HuggingFace Transformers, OpenCV, spaCy, GeoPy

Frameworks & Tools: Git, Flask, Bootstrap, Leaflet.js, MS Word, Excel, Canva, Figma

Soft Skills: Problem Solving, Team Collaboration, Technical Communication, Adaptability

EDUCATION

B.Sc. in Information Technology | Rajarata University of Sri Lanka
Current GPA: 3.23

2022 – Present

G.C.E. Advanced Level (A/L) - Technology Stream | Badulla Central College

2017 - 2020

RESEARCH PROJECTS

Real-Time Multimodal Disaster Detection Using Social Media

Final Year Research Project

Technologies: Python, Machine Learning, NLP, Computer Vision, MySQL

- Developed an AI-based system to analyze social media text and image data for disaster detection.
- Implemented informativeness detection, disaster classification, location extraction, and alert storage.
- Built a map-based dashboard to visualize disaster alerts in real time.
- Used multimodal AI techniques by combining text and image predictions.
- Achieved an overall F1-score of 84.20% using the best fusion approach.

PUBLICATIONS

L.D.C.S.R. Yasiruth, K.M.V.K. Kulathunga, G.H.A.N. Theekshana, and S.N. Mapitigama. "Real-Time Multimodal Disaster Detection Using Social Media." *In Proceedings of IMPETUS 2026 International Conference*. (Accepted — Presented 2026)

COMPETITIONS

- IEEEExtreme 19.0 Programming Competition – Participant | 2025
- RUSLXTREME Mini-Code Competition - Third Place | 2025
- IX 25 Designathon - Participant | 2025
- RUSLXtreme 1.0 Mini Hackathon - Participant | 2024

LEADERSHIP, ACHIEVEMENTS & EXTRACURRICULAR INVOLVEMENT

- University Hockey Team Member | University Merit Award and Inter-Faculty Championship Honors (2023–2024)
 - Graphic Designer - InFocus Media Unit | 2024
 - Graphic Designer - Zero Plastic RUSL | 2024
 - Member, IEEE Student Branch
-
